SECTION ONE

1.0 GENERAL INFORMATION:

1.1 Purpose: The University of Maine System is seeking applications for the Sign Language Interpretation and Transliteration (INT) Services Vendors List (SVL). This Request for Qualifications (RFQ) describes the University’s intent and process by which a vendor may be placed on this list.

1.2 Introduction: The objective of this RFQ is to create an on-going list of qualified vendors that can be used by employees across the University of Maine System when obtaining interpreting and transliteration services to facilitate communication access needs for Deaf and Hard of Hearing (HOH) consumers on an as-needed basis. The list is designed to:

- Provide a vendor list of qualified agencies and/or individuals who can provide interpreting services as needed
- Establish standards including rate of pay for vendors wishing to be on this list

Vendors are cautioned that this is a request for qualifications. The University reserves the unqualified right to reject any and all applications when such rejects are deemed to be in its best interest.

1.3 Contract for Services – Employees of the University of Maine System may respond to this RFQ, be included in the list (SVL) and perform work under this contract as long as the employee complies with all applicable laws, rules and regulations, including but not limited to University of Maine System policies on conflict of interest and outside commitment, in effect at the time of the response to the RFQ and the performance of any work under the contract.

1.4 Communication with the University: It is the responsibility of the vendor to inquire about any requirement of this RFQ that is not understood. Responses to inquiries, if they change or clarify the RFQ in a substantial manner, will be forwarded by addenda to all parties that have received a copy of the RFQ. Addenda will also be posted on our web site, www.maine.edu/strategic/upcoming_bids.php. It is the responsibility of all vendors to check the web site before submitting a response to ensure that they have all pertinent documents. The University will not be bound by oral responses to inquiries or written responses other than addenda.

Inquiries must be made to: Hal Wells
Office of Strategic Procurement
University of Maine System
16 Central Street
Bangor, Maine 04401
hcwells@maine.edu

1.5 Costs of Preparation: Vendor assumes all costs of preparation of the response and any presentations necessary to the RFQ process.

1.6 Debarment: Submission of a signed response to this solicitation is certification that your firm (or any subcontractor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any State or Federal department or agency. Submission is also agreement that the University will be notified of any change in this status.

1.7 Understanding: By submitting a response, the vendor agrees and assures that the
specifications are adequate, and the vendor accepts the terms and conditions herein. Any exceptions should be noted in your response.

1.8 Confidentiality: The University must adhere to the provisions of the Maine Freedom of Access Act (FOAA), 1 MRSA §401 et seq. As a condition of accepting a contract under this section, a contractor must accept that, to the extent required by the Maine FOAA, responses to this solicitation, and any ensuing contractual documents, are considered public records and therefore are subject to freedom of access requests.

1.9 Submission: A SIGNED original must be submitted to the Office of Strategic Procurement, University of Maine System, 16 Central Street, Bangor, Maine 04401. As The SVL is to be administered on an on-going basis the June 14, 2013 deadline is a ‘soft’ date. Responses received after June 14, 2013 will be considered.

1.10 Authorization: Any contract or agreement for services that will, or may, result in the expenditure by the University of $50,000 or more must be approved in writing by the Director of Strategic Procurement and it is not approved, valid or effective until such written approval is granted.
SECTION TWO

2.0 EFFECTIVE PERIOD:

All accepted vendors will be required to renew/reaffirm their interest and acknowledgement of the University’s terms and conditions not later-than June 15th of the current fiscal year by reviewing the most current RFQ terms and conditions. Accepted vendors are to submit an updated Services Contract, an updated W-9 form and copy of business license to be on the list the first day of the fiscal year.
