The UM currently has fifteen sports, approximately 400 student-athletes, and 90 staff members within the Department of Athletics. The UM’s fiscal year 2012 Department of Athletics revenue totaled $18.8 million, while athletic student aid totaled $6.0 million. Additional details about the UM may be found at the institution’s web site (http://www.umaine.edu), while more detailed information about UM Athletics may be found on the Department’s website (http://www.goblackbears.com). Responses to inquiries, if they change or clarify the RFP in a substantial manner, will be forwarded by addenda to all parties that have received a copy of the RFP. Addenda will also be posted on our web site,
www.maine.edu/strategic/upcoming_bids.php. It is the responsibility of all bidders to check the web site before submitting a response to ensure that they have all pertinent documents. The University will not be bound by oral responses to inquiries or written responses other than addenda.

Inquiries must be made to: Gary Haslam

1.6 Award of Proposal: Presentations and samples may be requested of two or more bidders deemed by the University to be the best suited among those submitting proposals on the basis of the selection criteria. After presentations have been conducted, the University may select the bidder which, in its opinion, has made the proposal that is the most responsive and most responsible and may award the Contract to that bidder. The University reserves the right to waive minor irregularities. Scholarships, donations, or gifts to the University, will not be considered in the evaluation of proposals. The University reserves the right to reject any or all proposals/submissions, in whole or in part, and is not necessarily bound to accept the lowest cost proposal/submission if that proposal/submission is contrary to the best interests of the University. The University may cancel this Request for Proposals or reject any or all proposals in whole or in part. Should the University determine in its sole discretion that only one bidder is fully qualified, or that one bidder is clearly more qualified than any other under consideration, a contract may be awarded to that bidder without further action.

1.7 Award Protest: Bidders may appeal the award decision by submitting a written protest to the University of Maine System’s Director of Strategic Procurement within five (5) business days of the date of the award notice, with a copy of the protest to the successful bidder. The protest must contain a statement of the basis for the challenge.

1.8 Confidentiality: The information contained in proposals submitted for the University’s consideration will be held in confidence until all evaluations are concluded and a vendor selected (the successful bidder). At that time the University will issue bid award notice letters to all participating bidders and the successful bidder’s proposal may be made available to participating bidders upon request. After the protest period has passed and the contract is fully executed, the winning proposal will be available for public inspection. Pricing and other information that is an integral part of the offer cannot be considered confidential after an award has been made. The University will honor requests for confidentiality for information of a proprietary nature to the extent allowed by law. Clearly mark any information considered confidential.

The University must adhere to the provisions of the Maine Freedom of Access Act (FOAA), 1 MRSA §401 et seq. 1.11 Proposal Understanding: By submitting a proposal, the bidder agrees and assures that the specifications are adequate, and the bidder accepts the terms and conditions herein. Any exceptions should be noted in your response.

1.12 Proposal Validity: Unless specified otherwise, all proposals shall be valid for ninety (90) days from the due date of the proposal.

1.13 Non-Responsive Proposals: The University will not consider non-responsive proposals, i.e., those with material deficiencies, omissions, errors or inconsistencies.

Specification Protests will be responded to within five (5) business days of receipt. Determination of protest validity is at the sole discretion of the University. The due date of the proposal may be changed if necessary to allow consideration of the protest and issuance of any necessary addenda. No protest against the award due to the specifications shall be considered after this deadline. Protests shall include the reason for the protest and any proposed changes to the specifications. 3.1.1 NCAA Division I Agreed-Upon Procedures and Related Financial Reporting: The independent accountant shall fulfill the NCAA Agreed-Upon Procedures requirement for fiscal year ended June 30, 2013 and issue a report to the UM President by January 15, 2014. This same timeline will be met for each subsequent fiscal year for which the independent accountant is engaged to perform these services.

The selected independent accountant will fulfill the agreed-upon procedures and financial reporting requirements as identified within the latest NCAA Agreed-Upon Procedures and as mandated under the provisions of NCAA Constitution 3.2.4.16. To request a copy of the Agreed-Upon Procedures, September 11, 2012, contact Gary Haslam at gary.haslam@maine.edu.

The independent accountant shall meet with UM’s President (or his or her designee) to identify areas of significant interest and specific agreed-upon procedures related to both internal controls and other specified areas.

Per NCAA requirements, all revenues, expenses and capitalized expenditures on behalf of an institution’s intercollegiate athletics program, including those by outside entities, will be reported on annually. The agreed-upon procedures will provide data to allow the UM to fulfill its NCAA financial reporting requirements including the separately required online reporting of financial data to the NCAA.

To provide adequate information for the independent accountant to execute these agreed-upon procedures, UM will prepare a Statement of Revenues and Expenditures of the intercollegiate athletics programs as recorded in the University’s general ledger. Expenses on behalf of UM’s athletics programs by affiliated and outside organizations not under the accounting control of the University shall be included in the Statement and subject to the NCAA Agreed-Upon Procedures set forth in the section of that document entitled “Minimum Agreed-Upon Procedures for Affiliated and Outside Organizations.” Management will disclose significant additions to restricted funds related to intercollegiate athletics, as well as significant changes to endowment and plant funds, separately in the notes to the Statement.

Agreed-upon procedures will include those required and those recommended by the NCAA. The independent accountant’s report on agreed-upon procedures will be in the form of procedures and findings and will, at a minimum, include the elements recommended by the NCAA in its most recent Agreed-Upon Procedures, currently the September 11, 2012 version as further described in Appendix C of that document. As required, the institution’s agreed-upon procedures shall be presented to the UM President by the independent accountant. The report’s primary purpose is to ensure
that the chief executive is made aware of all financial activity (both internal and external) for athletics purposes and to assist the institution in exercising control over financial activity made by or on behalf of the intercollegiate athletics program.
